General Comments.

Day 1 is an exciting full day. To enable everyone to get the most from the day, breaks have been kept to a minimum.

Please register early and be in your seats ready for a prompt start for each lecture.

The Unicorn Trust is a beautiful venue but the lecture hall is not excessively large. In the interests of other delegates, please try not to leave the hall during the lectures.

Lunch will be served in the restaurant and the trust asks that food is only consumed there.

There will be presentation stands at the lectures for perusal before, during breaks and after the conference. As it is a charitable organisation, the Unicorn trust is not permitted to allow trading.

General Comments.

Please register early and be in your seats ready for a prompt start.

The Unicorn Trust boasts an impressive indoor school surrounded by wooden bench seating. In the interest of comfort you may wish to bring a cushion!

In order to benefit from seeing Dr Heuschmann train the maximum number of horses, breaks have been kept to a minimum. Please consider other delegates if you need to leave the school during sessions.

Lunch will be served in the restaurant and the trust asks that food is only consumed there.

There will be presentation stands at the lectures for perusal before, during breaks and after the conference. As it is a charitable organisation, The Unicorn trust is not permitted to allow trading.
